

EXCEL HYDRAULICS

WE HEARD YOU!
...and streamlined our repair
process to better serve you!

Committed to **EXCELLENCE**...Committed to our **NEIGHBORS**

At Excel Hydraulics, we value your trust in our ability to solve your repair needs — *quickly and efficiently*. No job is too big or too small.

Don't let a break down slow you down. Bring us your machinery for a free evaluation and fast quote, right from your tailgate. Our streamlined intake process and timely repair services get you promptly back on task.

We offer local businesses like yours **high quality repairs with the fastest possible service at reduced costs!**

We've streamlined our industrial machinery teardown, evaluation and quoting process to meet your everyday equipment repair needs. Simply bring your cylinders, pumps, motors, final drives, hoses or fittings into our shop and receive our rebuild expert's immediate evaluation and estimate. Once you approve, we'll schedule your work and complete it as quickly as possible using our proven, quality repair standards.

We offer you:
